

Chilliwack Legal Aid

Chilliwack Legal Aid - Our firm's Education and Public Law team advises and represents school boards and educator organizations in different legal matters affecting them.

Our team is skilled using the many public law and education law services we offer comprising labour and employment relations, contract negotiations, civil, commercial and general litigation, human rights, special education, judicial review and appeals, administrative law, freedom of information and privacy law, constitutional law, conflict of interest law and health law. We even advise and act on behalf of educator clients in aspects of corporate-commercial, like for instance real estate law, construction law and municipal law.

We offer comprehensive, effective and timely help to be able to help educators handle the complex matters confronting them.

Among our several clients comprise Catholic and public school boards, Ministries of Education, agencies and boards and governmental commissions. Our Education and Public Law practitioners work closely along with experts within our Real Estate group and Business Law Group.

Our lawyers are often called upon to make presentations at national conferences and in-service seminars. They often publish articles on education and public law in journals and magazines.
