

Real Estate Lawyers in Chilliwack

Real Estate Lawyers in Chilliwack - Our firm has a large experience base with our areas of expertise being in local government approvals, commercial leasing and sales, purchasing and financing as well as development projects.

Our firm deals with both global and local clients. These include borrowers and lenders, co-operatives, educational institutions, contractors, local and international developers, local governments, forestry, hospitals, vendors and purchasers, partnerships and various investment syndications, manufacturers, real estate agents, retail and managers. We have a great deal of skill working on a variety of projects consisting of office work and industrial centers to residential estates and shopping centers.

Several cities count on our lawyers as their principle advisors. We offer suggestion regarding the priorities and options the city has regarding real estate expansion and local government regulations. The data we provide is vital to the negotiations between the local government and our client.

As well, our group can talk to other lawyers in the Environmental, Financial Services, First Nations, and Tax groups to make certain that the recommendation we supply is accurate. If any disagreements or disputes take place during the proceedings, we have a selection of mediation, arbitration and litigation lawyers accessible to help our clients.

Many of the lawyers who work for our group have received some prestigious awards, both locally and nationally. Accuracy, quality and efficiency are some of the qualities that represent our group. We use all of the resources accessible to us to make certain our clients have all of the data and assistance they require to take advantage of the real estate market.
