

Chilliwack Real Estate Lawyers

Chilliwack Real Estate Lawyers - Our company specializes in Real Estate Law and is recognized leader in the sale, purchase and development of real property, real estate financing and leasing transactions. We can assist clients in the development, construction and management of residential and commercial condominiums, office buildings, residential rental projects, retirement homes, hotels and shopping centers. Our clients consist of developers of commercial, residential, industrial and institutional real estate, domestic and international real property investors and providers of construction services, financing and property management.

We know the institutional, policy and political problems involved in implementing and structuring transactions involving public-private partnerships (P3) for infrastructure. We have represented both private developers and public entities in such transactions.

We help clients with infrastructure, financing and procurement planning. Our multi-disciplinary method enables our real estate lawyers to draw on the resources of other professionals within our firm. We provide our clients the wide range of advice needed to be successful in real estate joint ventures and reorganizations, financings, syndications, environmental assessments and financial workouts.
