

Wealth Management Chilliwack

Wealth Management Chilliwack - Both international and domestic clients have been seeking our services and legal suggestion for almost a century. We provide advice and representation in a lot of different matters, range from estate and trust related disputes to complicated estate planning. Several of our clients include worldwide charities and companies, but we also represent people with their trust and estate problems.

We are knowledgeable and experienced while also being a unique firm who focuses on searching for cost effective and alternative solutions to assist you achieve your personal objectives. Our lawyers can help solve complex goals concerning foreign beneficiaries and assets, providing for minors and disabled beneficiaries, and the succession of family companies.

What's more, we help establish domestic and offshore trusts for local and international clients. These entities help our clients to reach their current goals while remaining flexible.

Business trusts and special purpose trusts are items that our company has extensive experience in creating. Several First Nation individuals have established trust funds through us.

Our clients are people who wish to legalize trusts and wills, handle mental incompetence matters, and assist in the interpretation of legal papers about trusts and estates.

No matter what, the client's tax advisor works closing along with the representing lawyer to make certain that the end result is in accordance with the clients circumstances.
