

Estate Planning Chilliwack

Estate Planning Chilliwack - Wealth preservation is among our company's major areas of practice. Our Wills and Estates lawyers have knowledge in dealing with various aspects concerning the lawful requirements associated to testamentary dispositions.

Estate planning, the formation of trusts, establishment of charitable bequests, and the preparation of wills are only a few of the various aspects which are covered under the broad definition of Wills and Estates. Our teams of lawyers would be pretty happy to assist you with any of these matters, in addition to helping you with various deeds or instruments associated to the area of personal estates.

Our services even extend into giving suggestion to both trust companies and to individuals. We can help them plan their estates, offer suggestion to the numerous estate beneficiaries regarding the protection of their rights. We will likewise offer services that would help to make sure that the executors and trustees obligations and duties are both clear and understood by all the people involved.
