

## Chilliwack Lawyer

Chilliwack Lawyer - Our tax law group's services span the full range of taxation areas: provincial sales tax and goods and services tax, personal and corporate income tax, and international tax. Our clients include corporations, individuals, estates, trusts, and not-for-profit organizations such as charities. Our tax lawyers draw on different areas of our firm for quality advice in different tax law transactions.

Our tax lawyers provide the following services to individual clients: help in minimizing taxes through their lifetimes; assistance in maximizing their estates; help with utilizing deferral opportunities and prudent tax savings. Lessening the tax burdens of beneficiaries is important to clients and we provide advice and assistance concerning trusts and estates.

We assist business clients with mergers and acquisitions, corporate reorganizations, and public financings, both domestically and internationally. We advise on the use of financial intermediaries and specialized entities in tax planning. We assist domestic and foreign lenders and borrowers to structure their transactions in the most tax effective manner.

We have significant knowledge in commodity tax law. We focus on assisting individuals and organizations on numerous concerns of tax connected to retail sales and goods and services tax. We work closely along with clients involved in worldwide and national trade in identifying tax-saving opportunities. We also help with compliance problems.

Our tax group has assisted several clients through all stages of the tax review procedure, from the initial audit phase to the resolution of disputes in the most cost-effective and timely method.

Our group of tax law lawyers are fully committed to the analysis of the constantly changing developments in the tax law field. Our up-to-date expertise allows us to advise on matters arising from judicial interpretation, amendments to tax legislation, and government policies.

We help organizations to incorporate as non-profit and charitable organizations, and offer all the related suggestion concerning governance concerns, insurance matters, fiduciary responsibilities, strategic planning, and risk management.

Our litigators in tax law have several years of skill handling concerns of tax disputes consisting of income tax, retail sales tax, goods and services tax, as well as various other disputes under taxation statutes.
