

Legal Services Chilliwack

Legal Services Chilliwack - Our firm represents several North American production corporations together with a collection of animation houses, banks, actors, directors, writers, service providers, and federal/provincial funding agencies.

We advise our numerous client's in the television and film business about the subjects regarding co-production partners and distribution, negotiations with broadcasters, banking transactions, tax credits and government funding, union and guild concerns, plus any other production or financing problems they may come across.

In regards to location productions, we provide suggestion regarding film tax credits and withholding tax, investment rules and regulatory requirements, as well as likely issues regarding guilds and unions within Canada and the United States.

The main focal point of our team of lawyers focuses on film, television, and the new media industries. We work with and are accompanied by a variety of groups comprising our Labour & Employment, Tax, and Intellectual Property groups. A unique perspective is developed by our head lawyer, who depends upon his entertainment law and securities law skill to be able to provide our clients with brilliant recommendation concerning project-based and corporate funding.
