

Chilliwack Bankruptcy

Chilliwack Bankruptcy - Our company during the past few decades has provided suggestion on all aspects of bankruptcy law, comprising creditor's remedies, reorganizations and restructurings as well as commercial litigation. Our profile is internationally recognized, and as such we have a large majority of our clientele that are internationally based. Most of our business regards cross-border insolvencies and restructuring between Canada and America. We are experienced in a wide variety of matters because of our many domestic relationships along with various lenders and professionals. Our practice consists of working along with commercial and financial organizations, international and domestic financial institutions, creditor's committees, trustees, investors, receivers, acquirers and debtors in reorganizations and insolvencies.

Members of our practice helped develop the system of Canadian cross-border insolvency. Also, the federal and local government takes into consideration when amending the Canadian laws including worldwide businesses. We are proud to be active members of a large variety of international insolvency organizations.
