

Patent Agents Chilliwack

Patent Agents Chilliwack - For our clients, we could offer various services to enable them to efficiently and quickly meet all of their trademark and copyright requirements. Enforcing trademark and copyright rights in trademark opposition proceedings and litigation is among our company's specialties. What's more, we also assist our clients in the legal clearance of trademarks and help guide them throughout the registration procedure. Our knowledge and expertise allows our clients to know the full value of the intellectual property and provides them with the information and resources required so as to get the required protection.

We provide effective and cost efficient resolutions to some clients, no matter what the size of their business. Amongst the assistance we offer are the management of a portfolio of intellectual property assets, advice concerning a licensing program or an acquisition, or assistance in regulating the uses of logos, slogans or trademarks in the marketplace. The objectives and requirements of our clients is always essential and our flexible approach ensures that the demands of the marketplace are met in a timely manner.
