We have established an extremely high success rate due to our aggressive perseverance to enforce our clients' rights. Success happens whenever the client's case has been dismissed or the charges are reduced by the courts.

We deal with the following offenses:

1. Impaired Driving
2. Impaired Driving Causing bodily harm
3. Impaired Driving Resulting In death
4. Impaired Operation of a vessel or motor vehicle
5. Over legal limit operation of a motor vehicle or vessel
6. Impaired Control or Care of a vessel or motor vehicle
7. Over legal limit Care or Control of a motor vehicle or vessel
8. Refuse sample

Whenever you are under investigation or are under investigation, you need to make contact with us immediately. When charged, do not give up your rights to remain silent or to retain counsel. It is vital that you do not talk to the police prior to obtaining recommendation from a lawyer. We are accessible 24-hours on a daily basis to assist you.

The consequences to you are really serious if you are proven guilty, as a first time offender, for drunk or impaired driving. The implications include: criminal record, fines of \$1,000 or more, installation of ignition device in any motor vehicle you operate for 12 months, driving prohibition for one to three years. In addition, you may be required to finish a course program at your own expense. Your car insurance surcharge would increase, up to four or five times the current rate.

For subsequent offenses, penalties consist of mandatory jail time. Thus, you need to have knowledgeable counsel to represent you and your best interests. We would offer you with a legal advise as to your chances of success in fighting these charges.
