

Chilliwack Injury Lawyer

Chilliwack Injury Lawyer - Our firm's Class Action lawyers are experienced and knowledgeable within both defending and advancing class actions. The somewhat plaintiff-friendly nature of class action legislation has caused the commencement of class proceedings which are national in scope. We have a well-developed network of relationships together with class action counsel within different provinces, allowing us to mount a coordinated method in cases where parallel procedures have been initiated in other jurisdictions.

Usually, class actions tend to create a higher level of public scrutiny and more financial exposure than other kinds of procedures. Our teams of lawyers have been involved in various class action suits, like taxation, securities, product liability claims and insurance. Our clients benefit from our depth of knowledge and extensive resources.
