

Legal Aid Lawyers Chilliwack

Legal Aid Lawyers Chilliwack - Our Financial Services Team helps clients in problems connected to insolvency, finance and restructuring. Our team members' experience in the financial services industry equips them with the insights and skills to evaluate the needs of our financial services clients. We have a deep understanding of the structure and documents connecting to transactions, and we have many years of skill working in the different trades and regulatory environment wherein our clients operate. We combine technical expertise with the applicable business knowledge in practice groups and industry teams to assist each client's particular requirements.

Our Banking Group acts for and advises large finance organizations including non-bank lenders, banks as well as other businesses. We have knowledge in participations and syndications, secured transactions and asset-based lending, in addition to various kinds of commercial finance, including subordinated debt, mezzanine, private equity and film financings within the United States and Canada. We are particularly recognized for our work with secured and alternative financing. We have developed superb relationships within the lending community, which enables us to assist corporate clients to secure financing from the most appropriate lender.

The different kinds of financing transactions we implement for our clients consists of multi-currency loans, project financings, syndicated and cross-border loans, letter of credit facilities, acquisition facilities, asset based lending, venture capital financings and real estate financings. Our experts would document and structure bulk lease financing facilities pursuant to which lenders finance portfolios of equipment leases. We likewise develop the off-balance sheet financing of energy retrofits of private and public buildings. Our services comprise structuring and documenting on- and off- balance sheet financings consisting of sales of receivables, conditional sale agreements, non-rated asset securitizations, leveraged buyouts and equipment leases. We advise clients concerning the lenders' standard form documentation and lending procedures and policies.

We provide recommendation about innovative risk management techniques involving financial derivatives, and by working directly along with our Tax Law Group, we act on behalf of financial institutions in their offshore and domestic investment activities also.

Our experienced litigators even provide assistance in the several fields of insolvency law to a host of financial institutions, debtors, trade creditors, debtor-in-possession lenders, liquidators, receivers and trustees. We assist with proposals, reorganizations, receiverships, restructurings, workouts, bankruptcies, enforcements and liquidations.

Our litigators develop methods in order to enhance recoveries or minimize the effect of insolvency upon the interests of stakeholders.

We assist senior and subordinated lenders, borrowers and investors with the implementation and structuring of debt workout arrangements. By giving innovative transactional advice, especially about out-of-court restructurings and the sale and purchase of insolvent businesses, we are an effective addition to management groups.
