Best Criminal Lawyer in Chilliwack - Our teams of merger and acquisition lawyers provide professional legal recommendation in the many M&A transactions, from the inception to the post-closing integration. Our experienced lawyers from our offices all around the nation have the practical expertise and knowledge required to deal with the most complex mergers and acquisitions. Our professionals have knowledge of essential industry sectors - Automotive, E-commerce, Mining, Oil and Gas, Clean Tech, Technology, Manufacturing, Telecommunications, Financial and banking Services, Transportation, Real Estate, Hospitality and Insurance - as well as expertise in worldwide and local M&A transactions. Our M&A members maintain strong relationships along with regulators and have in-depth understanding of the legislative and regulatory realm.

The clients which seek out our expertise in all areas of mergers and acquisitions includes many major international and domestic corporations, controlling shareholders, emerging companies, entrepreneurs, privately held companies, financial institutions, governmental entities, private equity firms, public companies, special committees and board of directors, and management buy-out groups.

The work of our M&A group begins with first completely understanding a client's business needs and goals. We expertly identify and allocate risk before structuring, negotiating, and effectively completing the transaction. Our strategic and focused method applies to deals of whichever size and difficulty. We handle each and every situation with dedication to excellence. Our goal is to effectively devise taxation structures and innovative deals which would meet and exceed client expectations.

Specialized experience of the varied and complex legal and regulatory environment around M&A transactions is critical to the success of any endeavour. That is why our M&A Group works closely with our company's professionals in competition/antitrust law, foreign investment review, tax, financing, employment and labour, pensions and benefits, environmental, intellectual property, real estate, business immigrations, government relations and international trade and customs. When needed, we provide extensive insolvency and restructuring skills to be able to resolve challenges faced by distressed targets. When hostile situations related to securities litigation issues or regulatory hearings occur, clients can depend on our firm's experienced litigation team.

We conduct privately negotiated purchases of assets or shares, public company mergers and acquisitions completed by way of take-over bids, and amalgamations and plans of arrangement. Our clients benefit from the strategic and comprehensive advice offered by our Private M&A and Public M&A lawyers, from the initial stages of a transaction throughout to post-closing issues. Our aim is to be able to offer solutions-driven transactional services in an innovative and affordable way to accomplish your business objectives.
