

Bankruptcy Chilliwack

Bankruptcy Chilliwack - Our Bankruptcy and Restructuring team has a lot of experience and knowledge within the areas of restructuring, bankruptcy and insolvency. For both creditors and debtors we act on their behalf and have played various major parts in numerous global restructuring scenarios along with numerous cross-border restructuring deals.

There are a lot of foreign banks, insurance companies, investment firms, and different financial institutions from Asia and Europe seek representation and counsel from our great group of experienced lawyers. The clients which we assist comprise par bondholders, distressed debt purchasers and hedge funds, and high yield investors. Our firm is well versed in all aspects included in insolvencies and we maintain several active practices for several conventional debtors. These clients, comprising debtors, creditors, and receivers, have various needs varying from enforcement remedies to court protection.

By working as a group together with different lawyers in different fields and by using all existing resources to be able to guarantee that our client is well represented within the areas of acquisitions and mergers, corporate tax, employment law, litigation and securities. This process makes sure that each solution which we work out will be able to fit each individual situation. Our firm is recognized for being creative and proactive. The assistance which we carry out regularly consists of cross-border insolvencies, facilitating consensual deals and negotiating creditors' rights issues. When faced with cross-border insolvencies, our company uses simultaneous extra-jurisdictional court procedures to expedite protracted restructuring proceedings.
