Wrongful Death

The death of a loved one due to negligence of another can cause a wrongful death claim. Wrongful death claims, like personal injury claims, can result when there has been carelessness resulting in car, truck, and motorcycle accidents, malpractice, workplace accidents, and death as a result of defective products.

Our Wrongful Death litigators utilize a compassionate, yet aggressive method to obtain justice and full compensation for our clients. Our goal is to arrive at an outcome which provides for the client's needs in the present and within the future.

Usually only surviving spouses, children, and others in particular relationships with the decedent are eligible to bring wrongful death claims. Other individuals who were dependent upon the decedent at the time of his or her death may have a claim in some situations.

Our experienced and knowledgeable lawyers will meet with you for a free consultation on weekends, in the evening, at your home (or wherever). Please give us a call if you sustained a serious injury or lost a loved one due to the neglect of others.
