

Criminal Defence Lawyer Chilliwack

Criminal Defence Lawyer Chilliwack - Defamation law is just amongst the various services our information law practice provides. Any enterprise or individual in the distribution of information would at some time require legal recommendation in order to avoid defamation.

Whether the information is printed or electronically transmitted, our firm is well versed in responding to the requirements of our clients in the media trade. Our client base is diverse, ranging from municipal governments to publishers and universities.

Our teams of lawyers emphasize the benefits of foresight and risk management, although our lawyers are knowledgeable in litigation. We have found that the greatest way to steer clear of problems related to defamation is to prevent it completely. Institutional clients, in addition to businesses and individuals, make use of our resources and advice to manage risk and to structure the content of press releases. When dealing with an sensitive information, health authorities, universities and school boards request our suggestion on how to release it to the public.

Our lawyers are very knowledgeable in mediation, when litigation is not appropriate. Our lawyers could give recommendation, when considered necessary, regarding printing published clarifications, retractions and apologies in addition to the general handling of complaints. In cases where there are any insurance coverage issues, our knowledge with the information industry enables us to advise our clients on whether or not they should include an underwriter.

When handling defamation it is important to act quickly and efficiently so as to prevent permanent damage. Our company has numerous defamation lawyers to ensure our clients have instant access to the advice they need.
