

Criminal Law Chilliwack

Criminal Law Chilliwack - Our lawyers, patent agents, and trade-mark agents have extensive knowledge in an array of matters about intellectual property. In particular, our lawyers are experienced in assisting clients draft applications and in developing intellectual property strategies and helping our clients to draft applications.

Our law office has more than thirty years of experience, and our senior lawyer are renowned for their skill and expertise in dealing with intellectual property rights. We have gradually expanded our office over seas, to be able to ensure that both our Canadian and global clients have the right access to intellectual property protection.

Because the globe is always in a state of transformation, intellectual property is among the most important aspects in a knowledge based economy. Utilizing our lawyers innovative legal recommendation, our clients are able to realize the full potential of their intellectual property. Our recommendation also helps protect them against infringement, counterfeiting and competition.

We have a lot of experts in our intellectual property Team, consisting of professional scientists, PHDs and engineers who are leaders in patents, trade-marks, industrial design, copyright, and intellectual property disputes and agreements.

We make certain that each client is correctly matched with a registered patent and trade-mark agent to draw on their skill, ensuring that their intellectual property is well protected.
