

Corporate Lawyer Chilliwack

Corporate Lawyer Chilliwack - Our company specializes in offering advice and services for both residential and commercial businesses about lending transactions.

As part of our client base; our firm has a lot of clients ranging from smaller trust companies to larger institutional lenders. We normally serve Schedule A and B banks, in addition to lots of commercial lending institutions.

We realize that effective service is of utmost importance to our clients. Hence, we handle all of our financing transactions in a cost-effective way. Regardless of the timeline given, we ensure the lending advice we offer is complete and comprehensive.

We look for lawyers from within our firm with expertise in other specific subjects, when there is commercial and residential experience needed. This helps to make sure that we maintain a high level of quality all through the whole transaction.
